Revised Operating Hours

Changes to Airport Operational Hours and RFFS availability

(This replaces notice CA-AON-2021-4)

From 1st June, the Airport's Operating Hours will be as follows. (all times local)

MON – 0930-1630HRS (Limited, ATS closed & no RFFS except by arrangement)
Prebooked aircraft only in accordance with Operations Notice CA-AON-2021-6

TUE – 0900-1800HRS

WED – 0900-2000HRS (or sunset whichever is earlier)

THU-SUN – 0900-1800HRS

(Bank Holiday Monday 30th August Hours 0900-1800Hrs)

Fuel is available during above published hours until 15 minutes prior to close.

On Mondays, and after 1700Hrs Tues-Sun the Aerodrome is not available to aircraft that require a licenced aerodrome due to reduced RFFS.

Outside of these published hours the airport/heliport (including fuel services) may be made available to pre-arranged movements, military and emergency services on a pre-arranged request basis subject to available staffing. Additional charges may apply. Contact ops@cityairportltd.co.uk for details.

When runway conditions preclude fixed wing flights and weather conditions preclude general activity the Aerodrome and ATS may be closed.

Any changes to the above Operating Hours will be published by NOTAMs and ATIS (www.egcbatis.co.uk).
