Revised Operating Hours

Changes to Airport Operational Hours and RFFS Availability

(This replaces notice CA-AON-2022-1)

To facilitate training of new ATS staff, Wednesday opening hours will revert to 0900-1800HRS. The airports operating hours will be as follows. (all times local)

MON – 0930-1600HRS (limited, ATS closed & reduced RFFS except by arrangement)

Note: Prebooked aircraft only in accordance with CA-AON-2022-3

TUE-SUN – 0900-1800HRS

Fuel is available during the above published hours until 15 minutes prior to close.

Outside of these published hours the airport/heliport (including fuel services) may be made available to pre-arranged movements, military, and emergency services on a request basis, subject to available staffing. Additional charges may apply. Contact ops@cityairportltd.co.uk for details.

If runway conditions preclude fixed wing flights and/or weather conditions preclude general activity the aerodrome and ATS may be closed.

Any changes to the above operating hours will be published by NOTAMs and ATIS (www.egcbatis.co.uk).
